The AAACO General Membership Meeting was held on October 28th at the Plainsman III. Twenty members showed up to enjoy the breakfast and camaraderie. Ben Vlassick asked the group if two general membership meetings per year is sufficient. The group agreed that the two general membership meetings per year, in April and October, the summer picnic/ 2001 Reunion and the winter social will provide sufficient activities for the group.

Ben discussed the Winter Social and the 2001 reunion. Members expressed a desire for a consolidated email list of other members online. We agreed to add space for email address on the Alumni membership registration form. To update your personal information such as address, phone, or email, you can email Ben Vlassick (aftacco@aol.com) or Bill Schmied (billschmied@aol.com). Bill Harris registered the name AFTACCO.org and started a web site. More information on the web site can be found in this newsletter.

Another successful AAACO Winter Evening Social was held at the Historic CAMANA club at Buckley ANGB on November 11th. Great dinner, great friends and great music by Bill Harris and Deb added up to a great evening.
